

# What is FIRST™ Robotics Competition?

FIRST™ Robotics Competition combines the excitement of sport with the rigors of science and technology. Teams of high school students are challenged to build industrial-size robots to play a difficult field game. They fundraise to meet their goals, designing a team "brand," and advancing respect and appreciation for STEM within the local community.

FOR INSPIRATION & RECOGNITION OF SCIENCE & TECHNOLOGY

and to discover sponsorship  
opportunities!

## COMMUNITY

We strengthen STEM education in East Tennessee by participating in school STEM nights, parades, and festivals. We host a Lego Robotics tournament at our school and make 3D printed ornaments for Fantasy of Trees.

## AWARDS

Since 2011, the HVA RoHAWKtics have won 6 regional tournaments, qualified for the FIRST Championships 8 times, and won the prestigious Regional Chairman's Award twice. See the complete awards list on our website.
