

WHAT IS FIRST ROBOTICS COMPETITION?

FIRST Robotics Competition combines the excitement of sport with the rigors of science and technology. Teams of high school students are annually challenged to build industrial-size robots to play a difficult field game.

WHO ARE WE?

FRC 3824 is a world class FIRST Team.

Members...

Develop design, project management, teamwork, strategic thinking, and *Coopertition* skills.

Build and compete with a robot of our own design.

Gain marketable skills and knowledge, preparing us for the workforce.

OUTREACH

We participate in outreach events such as STEM nights, parades, hosting a First Lego League (FLL) tournament and supporting East TN Children's Hospital Fantasy of Trees. We have a goal of implementing a FIRST program in every HVA feeder school.

AWARDS

Since 2011, the HVA RoHAWKtics have qualified for the FIRST Championships 9 times, won 7 regional tournaments, and dozens of regional awards.
